## Profile

---

As a versatile student at Escola Superior de Media Artes e Design, my passion lies in motion design and video editing. With a knack for creative thinking and effective communication, I thrive in generating innovative ideas and designing engaging content.

## Experience

---

2016 - Present

Freelance Youtube

### *Video Editor and Designer*

I have been passionate about creating content since 2016 when I created my own editing/gaming channel on youtube.

2022 - Present

AEESMAD

### *Vogal and Coordinator of Department Design*

Since 2022 I have been present in the student association of ESMAD, first as a vogal and then coordinator of the Design department.

2023 - Present

NEME

### *President of Núcleo de Estudantes de Multimédia*

In 2023 I was part of the project of founding and reactivating the "NEME" at ESMAD, being the president. Here I produced content and was held responsible for the results.
